

# South Forest Park Neighborhood Association

## Join us for the Neighborhood Monthly Meeting

Tuesday, April 12, 2016 at 7pm at Zion Church, 4634 Alger.

**At this meeting:** Guest speaker **Apryl Hynes**, Public Information & Education Specialist for Everett Public Works, will present information on storm water runoff and Rain Gardens.

**Did you know** that a large portion of this neighborhood is a part of the combined sewer system where pipes carry both wastewater/sewer to the treatment plant? The city is making changes to the system and will be working on the streets in our area this year. Come hear how this affects you and what alternatives you can do. **Next Meeting May 10<sup>th</sup>.**

Help keep the neighborhood association active by joining us at meetings, volunteering for events, and bringing your ideas and requests.
